

FACT SHEET MOBILITY 2025

ABOUT THE UNIVERSITY

The State University of Maringá – UEM is a public, free of charge, Higher Education Institution maintained by the State of Paraná and subordinated to the Superintendence of Science, Technology, and Higher Education – SETI. Faculty effort and qualification have been recognized by different world rankings created to measure the quality of universities based on several academic-scientific criteria.

With its main campus located in Maringá, where its administrative structure and most of its undergraduate courses and graduate courses are based, UEM is also present in many towns in the region through its campuses and advanced bases.

ABOUT THE INTERNATIONAL COOPERATION OFFICE (ECI)

ECI promotes internationalization opportunities at UEM in the fields of research, teaching, and extension. The office intermediates international agreements between UEM and foreign institutions through both technical and scientific cooperation, through professor and student's mobility to meet the needs of programs and projects of mutual interest. Some of the aims are attending the community's needs, and diffusion of opportunities.

General Academic Information

ACADEMIC CALENDAR

Semester: March - August

Orientation days are planned to welcome exchange students at the beginning of each semester.

**check the
links below**

Academic Offer

[Undergraduate Studies](#)

[Graduate Studies](#)

REQUIRED/RECOMMENDED LANGUAGE SKILLS

In general, the language of Instruction is Portuguese. Nevertheless, some courses are taught in English.

- Required level of Portuguese (for those students taking courses in Portuguese) *
General rule: A2 required

**In general terms, the limited offer of courses taught in English means that exchange students must take part of their courses in Portuguese, and thus, they must have a certain level of Portuguese.*

- Required Certificate of Portuguese

As a general rule, students do not need to send their Portuguese level certificate to UEM. It is the responsibility of the home university to select their students according to UEM linguistic requirements as mentioned above.
